SUPPLEMENTAL CERTIFICATE OF CORRECTION UNDER RULE 322

Sir:

Applicants have received a letter from the Patent Office indicating that some of the corrections requested in the Certificate Of Correction Under Rule 322 filed on August 30, 2006 will not be entered. Specifically, the letter indicates that errors on title page item (56) are printed in accordance with the record. Applicants reviewed the record and discovered that two Forms PTO-892, which cite the references Applicants request added to item (56), are missing from the Patent Office's Image File Wrapper.

Specifically, in the Office Action dated November 23, 2001, the Examiner cites U.S. Patent No. 6,081,342 (Nakai) and U.S. Patent No. 5,655,152 (Ohnishi) on page 2 and cites U.S. Patent No. 6,069,624 (Dash) on page 5. In the Office Action dated April 8, 2003, the Examiner cites U.S. Patent No. 6,502,147 (Reilly) on page 2. Each of the Office Actions indicates that a Form PTO-892 is attached, and Applicants received the Forms; however, neither Form appears in Image File Wrapper.

Applicants' representative contacted Ms. Jackson of the Decisions & Certificates of Correction Branch and informed her of Forms PTO-892 missing from the Image File Wrapper. Ms. Jackson requested Applicants submit copies of the Forms, along with a supplemental certificate of correction including only the item (56) corrections. Applicants submit copies of the Forms PTO-892 and a Certificate of Correction herewith. It is respectfully requested that the Certificate of Correction be issued by the Patent and Trademark Office.

Patentees' undersigned attorney may be reached in our Costa Mesa, California office by telephone at (714) 540-8700. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
